EDUCATION

2022 – 2026	B.Tech at Pandit Deendayal Energy University
2022	Class 12 (GSEB)
2021	Class 10 (GSEB)

WORK EXPERIENCE

MERN Stack Development Intern *May 2025 – July 2025*
Brainybam Info-Tech Pvt. Ltd., Ahmedabad

- Worked on full-stack applications using MongoDB, Express.js, React.js, and Node.js.
- Built RESTful APIs and designed responsive UI for performance optimization.
- Collaborated in agile development, participating in sprints, code reviews, and stand-ups.

PROJECTS

Comprehensive Admin Dashboard [Demo](#)
Built a responsive and interactive dashboard using React with charts, tables, and filters. Integrated Redux for state management and REST APIs for real-time data fetching.
Tech: React.js, Redux, Tailwind CSS, REST API

AI-Based Water Quality Monitoring System [Demo](#)
Developed an IoT-powered system using FastAPI, ESP32, and MongoDB to monitor real-time water quality. Integrated ML models for anomaly detection and a LLaMA-based assistant for insights.
Tech: FastAPI, React.js, ESP32, MongoDB, LLaMA, ML

Panchal Art [Demo](#)
Built a responsive web application for Panchal Art using React and TypeScript to showcase portfolio, services, and contact features. Implemented modern UI components and optimized user experience for professional art and signage presentation.
Tech: Tailwind, React.js
